

The Exclusive Resorts Experience Collection

Our experiential travel offerings take you to the places you've
always dreamed of going—and many beyond your wildest.

EXCLUSIVE  RESORTS®

Life-Changing Travel

Exclusive Resorts Experiences are authentic and allow you to comfortably delve into the cultural depths of destinations where travel is seemingly out of reach. With Club-quality accommodations, expertly-curated itineraries, and every detail cared for, you can seek new Experiences with the certainty of incredible, wherever you go.

Members-Only Once-in-a-Lifetime Journeys

From an Antarctic cruise to a gorilla tracking tour of Uganda, these exceptional vacations allow Members to fulfill their lifelong travel ambitions. Journey itineraries are each unique to The Club, specifically designed for Members-only travel groups of 20 or fewer, accompanied by a dedicated guide for deeper insights into the grandeur of their surroundings.

Exclusive Resorts Adventures

These itinerary-based global experiences are available to book throughout the year and give Members and their families insider access to the extraordinary, unseen places and private tours of destinations near and far. We select five-star accommodations and world-class travel partners from our vetted network to lead Members into adventure, from coastal trail hikes of Fogo Island to a gastronomic skiing tour of Italy.

National Geographic Expeditions

We hand-selected a mixture of group and private National Geographic Expeditions best suited to our Members' interests and travel aspirations. National Geographic's signature group land trips immerse Members in fascinating cultures and draw out the uniqueness of each destination through enriching experiences accompanied by a National Geographic expert. National Geographic's Private Expeditions bring Members and their traveling companions to extraordinary places across the globe, led by knowledgeable local guides.

Younger Members, ages 13 and older, also have the opportunity to discover extraordinary places with National Geographic Student Expeditions. These educational expeditions take place around the world and encourage students to take leadership roles and delve deeper into their surroundings with exploration themes from wildlife conservation to community service. Under the guidance of seasoned trip leaders and experts, students are encouraged to take leadership roles and make their own discoveries.

The Experience Collection offers more than 50 new travel opportunities every year, changing to accommodate the vacation needs and aspirations of our Members. We've provided a selection of our Members' most beloved Experiences, which are sure to enliven and delight wherever you choose to go.

Antarctica: Explore and Ring in the New Year
2020 Once-in-a-Lifetime Journey

Take Zodiac tours among towering icebergs, glacier hikes to see penguin colonies, and go kayaking among the whales before enjoying chef-prepared cuisine or a relaxing massage aboard the National Geographic Orion.

TRIP LENGTH: **12 DAYS, 11 NIGHTS**

Ireland: Celtic Holiday
Exclusive Resorts Adventure

Explore the very best of Dublin and the Irish countryside, on this immersive Adventure into the region's deep cultural history. Tour the Cliffs of Moher, see how Waterford crystal is made, and play a few rounds on the immaculate Parkland course. Then, end your days in charming accommodations overlooking the surrounding picturesque landscape.

TRIP LENGTH: **8 DAYS, 7 NIGHTS**

Rhine River Cruise: Zurich to Amsterdam
2020 Once-in-a-Lifetime Journey

Travel the Rhine by five-star river cruise through Switzerland, France, Germany, and the Netherlands on this all-inclusive experience. Attend a Members-only organ recital in Strasbourg Cathedral, bike through charming fishing villages, go on a private tour of the Lindt chocolate factory, and enjoy wine tastings as you float through this beautiful region.

TRIP LENGTH: **9 DAYS, 8 NIGHTS**

On Safari: Tanzania's Private Expedition
National Geographic Expedition

Experience the animal kingdom up close in the vast savannas of the Serengeti. Descend into the Ngorongoro Crater, take in extraordinary vistas of the Great Rift Valley, and observe the astounding wildlife on a private game drive during your stay at a National Geographic Unique Lodge of the World.

TRIP LENGTH: **9 DAYS, 8 NIGHTS**

Experience incredible. Travel with The Club.
